

The French School of Kuala Lumpur is looking for creative and motivated teachers for its extracurricular activities!

Join our team, work in a dynamic and multicultural school environment and highlight your various talents and ideas!

The challenge:

- Bring out ideas of sports activities (yoga, capoeira, gymnastics, etc) or artistic/cultural activities (painting, choral singing, music, drawing, languages discovery, workshops etc) that you could organize and orchestrate during the school year for groups of students from 6 to 18 years old.
- Share one of your experiences in the artistic field or sport sector, describe your role, skills and responsibilities during the activity.

Your qualifications:

- Languages: English (French would be an added advantage).
- Experience in the education field (coaching/teaching), in sports or arts sector.
- Easy communication, parents and colleagues, good interpersonal and listening skills.

Visa:

You are under a talent pass, a visa allowing you to carry out a remunerated activity in Malaysia, or you are Malaysian.

Please send your application and a description of your activity by email to aes@fkl.edu.my
