

Dear parents,

Your children will soon begin Year 2 (CP).

Here is the list of supplies you shall provide, as soon as the term starts.

In case you remain in doubt about one of these items, do not hesitate to ask the Year 2 teachers.

- A school satchel (not a school bag with wheels: these are too heavy and inconvenient, considering the many stairs in the school), big enough to hold an A4-size binder
- **A pencil pouch** (made of fabric, not a pencil case) to hold office supplies
- Two HB pencils
- A white eraser
- A blue ballpoint pen (not a 4 colours pen)
- A green ballpoint pen
- A red ballpoint pen
- A pencil sharpener (with a receptacle for shavings)
- A pair of blunt end scissors (please make sure to provide left-handers with left-handed scissors)
- Four Velléda felt-tip pens of different colours (preferably not yellow)
- An eraser for a Velléda slate, such as a small cloth
- Two UHU brand glue sticks (longer lasting)
- **A pencil pouch** containing a dozen colour pencils
- **Another pencil pouch** containing a dozen felt-tip markers
- A slate to be written on with Velléda pens
- A flat plastic 30 cm long ruler
- A box of tissues
- A 60 pages display book for English classes
- A big old t-shirt or shirt, bearing your child's name for **plastic arts classes**
- Three closable plastic folders fitting in the binder: **a red one, a yellow one and a blue one**
- A water flask **MANDATORY** in class

+ a big cardboard binder, thick, 2 rings, (at least 50 mm spine)

We thank you for writing your child's name on all the supplies, checking and renewing them on a regular basis and for choosing quality supplies rather than fancy stuff.

The Year 2 teaching team
